If you wish to register for the Music Appreciation Course Pack, please send an email to [support@coursepack.org](mailto:support@coursepack.org) from your Rowan University email address and your Course Pack login password will be sent by return email. Type the word “**Registration**” in the Subject field and please include the **section number** or **CRN number** of the course in which you are enrolled at Rowan University. (Each section of the course has its own Course Pack.

This digital course pack was created to provide Rowan University students with a **cost effective alternative** to **expensive Music Appreciation textbooks** that are traditionally used for required readings in many Music Appreciation and Music History courses.

This course pack consists of a series of selected readings on Music Appreciation with **links to online musical examples** in a highly-accessible format that is designed to be easily readable on any smartphone, tablet, laptop or desktop computer that is capable of **reading PDF files**.

The course pack also contains a series of **15 very short quiz questions** (or “**quizlets**”) that verify that you have completed the readings. All **15 quizlets** together are worth a total of **8%** of your Final Grade.

**CoursePack.org** is a project of the **Association of New Jersey Orchestras**, (ANJerO) a non-profit organization that sponsors a variety of professional programs and services in Music Education.
